Genrui WP21A Semi-Auto Chemistry Analyzer

LABORATORY

SEMI AUTO CHEMISTRY ANALYZER

New-generation semi-automatic clinical chemistry analyzer with built-in incubators, timers, colour touch screen, flow cell and cuvette modes and LIS connectivity.

Price: TBC — request a quote

Key Benefits

- Flow cell and cuvette measurement in one analyzer
- Built-in incubators, timers and printer
- LIS connectivity for laboratory record systems

Specifications

Test Modes	Endpoint, two-point, kinetic, absorbance
Measurement	Flow cell & cuvette
Incubation	Built-in incubators and timers
Output	Built-in printer
Connectivity	LIS

About Anbessa Imports

Anbessa Imports is the sister company of Anbessa Travel, an Ethiopian business known for its sustainability certification, gold level taxpayer status and 13 years of exceptional customer service. We replicate that same heritage in medical equipment: responsibly sourced from vetted manufacturers, ethically managed through every stage of procurement and compliance, and delivered with installation, training and after-sales support across Ethiopia.

- Sister company of Anbessa Travel
- Sustainability certified, gold level taxpayer
- 13 years of exceptional customer service
- Responsibly sourced and ethically managed
